PRESIDENT'S MESSAGE

Welcome everyone to the 166th anniversary of the Arran-Tara Fall Fair. The theme this year is Farm Gate to Dinner Plate. With the rising costs we are facing at the grocery store it is an important reminder to appreciate where our food comes from and to celebrate our farming community.

This year we were able to bring back the very popular Family Dance Fundraiser, which took place before Easter. This event was very well attended, and the proceeds raised go directly back into providing entertainment/activities at the fair for our youth. Thank you for your ongoing support and excitement, without your support the fair would not be able to run. Last year's fair was a huge success with record breaking numbers for attendance. We are looking forward to making the 2023 fall fair even bigger and better.

Thank you to the hard-working board members and volunteers that work throughout the year to bring the fall fair to life. Without each of you we would not be able to organize this amazing community event.

It is my hope that you will be able to join us on September 12th and 13th for some family fun at the Arran-Tara Fall Fair!

ERIKA BRYSON, SENIOR AMBASSADOR 2022-2023

Hello, my name is Erika Bryson and I am the 2022-2023 Arran-Tara Fall Fair Ambassador. As the Ambassador for Arran-Tara I have had the opportunity to represent our community. Throughout my year as ambassador, my opportunities to represent our community include the Sunday service for the fair, the fall fair, the Tara Festival of Crafts, the remembrance day ceremony, the fall and spring District 10 meeting, and the OAAS convention. Through attending these events I was lucky enough to meet new people and learn more about agricultural societies.

This past year the Arran-Tara Fall Fair celebrated its 165th anniversary. Our community started the celebration of our fair with the Sunday church service. I attended this service, handing out bulletins and introducing myself to members of the community. On the Tuesday night of the fair the opening ceremony was held. The Jr. Ambassador Madison Hammel and I had a chance to go up in the Remax hot air balloon. On the Wednesday of the fair I helped with the frog jumping competition and handing out ribbons to the dairy, beef, and horse shows. I was so excited to be our community's Ambassador for the first fall fair since covid, I could not have been happier to see all of the members of our community come together and celebrate agriculture and our town.

As ambassador I was lucky enough to represent The Arran-Tara Fall Fair at the 2023 Ontario Association of Agricultural Societies Convention. While the OAAS convention is a great place for agriculture society members to attend seminars and workshops, their ambassador program is also outstanding. Over my time at the convention I had the opportunity to meet fellow Ambassadors as well as the CNE's Ambassador of the fairs. Through different activities and our own social time fellow ambassadors and I were able to talk about our fairs, ambassador programs, and community.

During this past year I have had the chance to create new friendships and meet new people, to work on leadership skills, and to learn more about our community and agriculture society. I am honoured to have been given this opportunity and I will take everything that it has taught me with me throughout life. I hope to continue seeing the support and welcomeness that our community offers as we celebrate our fair together.

MADISON HAMMELL, JUNIOR AMBASSADOR 2022-2023

Hello, my name is Madison Hammell, and I am the 2022-2023 Arran Tara Fall Fair Junior Ambassador. I have very much enjoyed my experience with all the opportunities I have had over the last year. The Tara Fall Fair was my first event! On Tuesday night I was lucky enough to be one of the first ones to take a ride in the REMAX hot air balloon, it was so cool to be up there and have a bird's eye view of the fair. Tuesday night also brought the Lawnmower races which I got great seats to watch. On Wednesday I rode in the fall fair parade and saw so many wonderful faces. I also got to help hand out ribbons at the dog show, walk around and see all the vendors and of course my favorite part of the fair all of the livestock. Other great events that I attended included the District 10 meeting in Chelsey last fall. The ambassador program included a field trip to the Launch Pad in Hanover where I got to use virtual reality learning new sewing skills and how to change a tire. Another event was the 2022 Tara Festival of Crafts which I will say was amazing with so many cool and wonderful vendors. My experience of being an ambassador was amazing and I highly recommend anyone take the opportunity and run for the junior ambassador in June. The last thing I would like to say is the fall fair could not go on without our wonderful volunteers. I would like to say a great big thank you to everyone who helps with the fair and the Arran Tara Agricultural Society. THANK you all so much.
